This address for the meter is 905 N Poplar. It was the meter to the Doyle shop.

Thanks

Subject: Water Meter

Everyone:

This water meter formerly ran from the water main in the alley to the former shop we demolished in November.

We shut water off at the main and removed the flex hose lateral to this meter.

We weren't sure if the city wanted to cap the lateral exiting the main and possibly reuse this meter.

Manufacturer: Hersey
Meter #: 08005123

Thanks,

Don
